## Notes and Reminders

### cuScreen

- Athletics community members must be 2 weeks post fully vaccinated to use the facilities. For Carleton staff/students, your second dose was required by October 1 so that you are considered fully vaccinated by October 15. After your second vaccination, you will submit your vaccination documents again.
- To access the pool, you must show your COVID screening with the green tick mark on your phone, and also swipe your member / campus card at the Welcome Centre. If your card does not swipe, the staff will make a note and get that resolved.
  - If you do not have a smart phone, show the paper screening form along with a paper copy of your vaccination records for admittance.
  - Please be polite to the Welcome Centre staff! They are just doing their job. Thank you!
- cuScreen details:
  - Proof of COVID-19 vaccination and a daily COVID-19 screening is required to access all buildings on the Carleton campus via cuScreen: <https://carleton.ca/covid19/cuscreen/>.
  - If you are not Carleton staff or student, instructions on how to **create your account** can be found under "Visitors" (<https://carleton.ca/covid19/wp-content/uploads/cuScreen-Instructions-for-Visitors-Final.pdf>). The instructions include the required registration code. Although it should be possible to create more than one profile per account, one account per person is recommended.
  - Click on "**Report your latest vaccination status**" to upload your proof of vaccination. Note that if you are fully vaccinated, you need to upload proof of **both** vaccinations, not just the second one. If you don't have pdf copies of your Ontario vaccinations, you can download them here: <https://covid-19.ontario.ca/covid-19-vaccine-booking-support#vaccination-receipts>. If you are fully vaccinated, you only need to do this once.
  - In addition to uploading your vaccination records, you will do a daily COVID screening using cuScreen. You will also check in and out of the buildings you access (e.g. Athletics) via QR location codes: <https://carleton.ca/covid19/cuscreen/qr-location-codes/>. If you don't have a smart phone, there is a paper form available: <https://carleton.ca/covid19/cuscreen/paper-based-self-assessment/>. If you use the paper form, be sure to have a copy of your vaccination records and government photo ID with you, to show upon request.

### Masters Swimming COVID Protocols

The changes from last term are bold and underlined.

- A mask must be worn, except when swimming. Use the hand sanitizer provided, and maintain a distance of 6 feet.
- The Welcome Centre will let you know when you may access the change room. We recommend that you wear your swim suit to the pool to limit time in the change room. Lockers are available for day use. There are showers available in all change rooms. The saunas remain closed.
- Walk clockwise around the pool deck. **Please use the correct doors to access and exit from the pool deck.** To enter the pool from the change rooms, please use the doors by the showers (the doors that were used pre-COVID to both enter and exit). When leaving the pool deck, exit through the door by the bulkhead, behind the guard chair.
- If you arrive early, please keep your distance from swimmers leaving the pool deck.
- Each lane will have a maximum of six swimmers.
- You may only attend the swims that you are registered for.
- **The masters equipment (kick boards and pull buoys, plus fins on fin days) will be available. However, swimmers must clean the pool-owned equipment they use both before and after use. Cleaning materials will be provided.**
- You may bring your own equipment, but no snorkels are permitted.

**Carleton Ravens Gear:** Swim caps (\$15) and T-shirts (\$20) are available as a fundraiser to support the Varsity swim team:

**Swim Suits for Sale:** The suits range in brand, style, and colour. Most prices are \$45 and less. The swim suits are available for browsing whenever I am coaching – just ask! If there's a particular suit you are looking for, I may be able to track it down.

**Caps and Goggles to Borrow:** I always have a "lost and found" bag full of spare caps and goggles to borrow if you forget (or break) yours.

**Swim Caps for Sale:** The money raised selling these caps goes towards the annual fees to register Carleton Masters with Masters Swimming Ontario and Swim Ontario. We have a few triathlon latex caps (50c), as well as some brand new Speedo silicone caps (\$5). Ask if you're interested in looking at these. If anyone has any caps that they'd like to donate, they would be most welcome.

**Nose Clips for Sale:** Cost \$5. Contact me if you are interested.

**Carleton Masters Swim Team Photos:** Check out some new and old team photos: <http://www3.sympatico.ca/lynnmarshall/teamphotos.html>.

**Newsletter:** An e-newsletter (like this one) is sent out about every two weeks. If you have new lane-mates, please mention to them that they should give their e-mail address to their coach if they'd like to receive it.

**Suggestions for Workouts or Interested in Making up a Workout or a Set?:** If you have suggestions for the workouts (something you like that we never do, or something you dislike that we do too much!), or if you'd like to try making up a workout or a set in a workout, just talk to your coach.

**Interested in Copies of my Workouts?:** Are you interested in getting copies of my workouts ahead of time? Let me know. I usually e-mail out a month's worth of workouts at a time. (Note that these are only the workouts that I coach.)

**Aquasport Discount for Carleton Masters Swimmers:**

Carleton Masters is now registered with Aquasport, which means that you get a 15% discount on regularly priced merchandise at all their stores. (No discount on sale merchandise.) In Ottawa, they are located at 2730 Iris Street in the West End. **To get the discount, just tell the staff that you are with Carleton Masters** (no proof is required!).

**Triathletes:** Check out Rudy Hollywood's website: <http://www.trirudy.com> and subscribe to the daily tri-news e-mail. Another good resource is <http://www.slowtwitch.com/>. Lots of free triathlon advice, a training log and challenges like the 100 runs in 100 days!

**General Information:** Program information, photos, old newsletters and the Carleton Masters records, among other things, can be viewed at: <http://carletonmasters.tripod.com>.
